With the promise of warmer weather just around the corner, here are some stunning swimming pools at luxury properties from across the globe to get travelers in the mood for summer:

Faena Hotel Miami Beach

Set on a gorgeous stretch of beach, [Faena Hotel Miami Beach](#) showcases design that recalls the glamour of the 1950s with stunning Art Deco appeal. The hotel is home to Los Fuegos by Francis Mallmann, Pao by Paul Qui, the 3,000 square-square-foot Faena Theater, and Tierra Santa Healing House, a one-of-a-kind South American-inspired spa. As part of Faena's commitment to transforming the ordinary to the extraordinary, the hotel features remarkable works by artists Damien Hirst, Gonzalo Fuenmayor, Manuel Ameztoy, Juan Gatti, and more. The hotel's stunning pool is located just to the left of Damien Hirst's iconic *Gone But Not Forgotten*, a 24 carat gilded skeleton of a woolly mammoth in a monolithic steel and glass vitrine. Offering an idyllic backdrop to soak in the Miami sun, the pool is not only chic but inviting and is the perfect place to unwind and enjoy the locale while absorbing views of art, innovative design, and the delightful Florida palm trees.
