15 Best Hotels in Miami

Both Miami and Miami Beach are home to a wide-ranging variety of top-tier accommodations to suit every need and bank account. Budget-focused travelers will always be pleasantly surprised by the prices at the Freehand, a luxury hostel that just happens to be home to one of the city's most beloved bars (Broken Shaker), and a pretty formidable eating place (27 Restaurant). On the other end of the spectrum, there are places like The Miami Beach EDITION, Faena Miami Beach, Four Seasons at The Surf Club, 1 Hotel South Beach, and Acqualina Resort & Spa, luxury escapes with all the amenities expected of a beach-front resort. And there are the many, many places in between. With so many hotels to choose from, the best way to approach booking one is to figure out what's most important to you, whether that means serene surroundings (try The Setai) or a fabulous pet program (both the Loews Miami Beach and Mandarin Oriental). Then read our list of Miami's best hotels to find the one that's right for you.

Faena Hotel Miami Beach →

\$\$

There's a bit of an 'Alice in Wonderland' feel to the Faena, and this carries through into the rooms—particularly with the smaller accents and pieces of furniture you'll find yourself "discovering" as your stay progresses. Outside, the hotel makes the most of its 100,000 square feet of private white-sand beach, and if you find yourself asking, "Did I just see a golden woolly mammoth skeleton in a glass cage?" the answer is yes—you can thank artist Damien Hirst for that one.
