Faena Hotel Miami Beach

Since its opening in 2015, this glamorous Five-Star spot has been an Instagram darling. The photo opportunities are endless, from the striking red-and-gold lobby, to the decadent room interiors and custom Juan Gatti-designed murals found throughout the property. Still, the most sought-after shot is with the 10-foot-tall, 24-karat gilded woolly mammoth skeleton by artist Damien Hirst on the terrace.
